- Any structural update done within 24 hours
- 24/7 WhatsApp support — always reachable
- CRM setup available at additional charge

TERMS & CONDITIONS

1. **Free Setup.** Website design, development and initial setup is provided at Rs.0. No hidden charges ever. The subscription covers hosting, domain, maintenance and management only.

2. **Payment — Annual Plan.** The client has subscribed to the annual plan at Rs.799/month (Rs.9,588 billed once upfront per year). Payment is due at the start of each annual period. The plan renews every 12 months unless cancelled with 30 days written notice before the renewal date. No refund is issued for any unused portion of an active annual billing period.

3. **Customisation.** Structural changes (layout, new sections, redesign) — client has a 48-hour window after final delivery to request these at no charge. Requests beyond this window are quoted separately. Content updates (new photos, text changes, updated timings, adding a service) — these are always free and can be requested at any time with no deadline. All updates completed within 24 hours of the request being received on WhatsApp.

4. **Client Content Responsibility.** The client is responsible for providing accurate photos, text and information for the website. If required content is delayed beyond 5 days, the delivery timeline adjusts accordingly — this is not a breach by Team AKC.

5. **Scope of Work.** This agreement covers the services listed above. Any additional feature, new page, or functionality not part of the original brief will be discussed and quoted separately before any work begins. Requests not confirmed on WhatsApp in writing are not binding. The standard plan includes up to 7 pages.

6. **Website & Domain Ownership.** All website files, hosting accounts and domain names are managed by Team AKC for the duration of the subscription. The client owns all content they provide (photos, logo, text). Upon cancellation, the website and domain will be deactivated after the notice period ends.

7. **Cancellation.** Either party may cancel with 30 days written notice via WhatsApp before the next annual renewal date. The website remains live through the full notice period. No refund is issued for any unused portion of the current active year.

8. **Additional Services.** CRM setup and integration is available at a separately agreed charge. Google Form to Google Sheet integration and Calendly appointment booking setup are included on request within the standard plan at no extra cost.

9. **Support & Updates.** Team AKC provides 24/7 WhatsApp support. All update requests are actioned within 24 hours of being received. Complex technical issues may require additional time but will always be acknowledged immediately.

10. **Fair Use.** The client agrees not to use the website for any unlawful or misleading purpose. Team AKC reserves the right to suspend any website found to be in violation of applicable law without prior notice.

11. **Scope Creep Protection.** If a client requests features or changes significantly beyond the original agreed scope, Team AKC will notify the client and provide a separate quote. No extra work will be carried out without written WhatsApp confirmation from the client.

12. **Service Continuity Guarantee.** In the highly unlikely event that Team AKC permanently ceases providing managed website services, Team AKC will provide the Client with a complete export of the website files and reasonable guidance for migrating the website to another hosting provider. This clause applies only in the event of Team AKC permanently discontinuing its managed website service and does not apply to voluntary subscription cancellations or non-renewal by the Client.

AGREEMENT & ACCEPTANCE

By replying **'I AGREE'** on WhatsApp, both parties confirm they have read, understood and accepted this agreement in full. This constitutes a valid digital acceptance.
